

Matching Helpers

Name: _____

Each pair of helpers is looking for buddies to work with to make a positive difference. Draw a line from the helpers on the left to the helpers on the right ready for a similar activity.

Multiplying by 2

Name: _____

Cut out the answers at the bottom of the page.
Then paste each answer in the correct math
problem at the top of the page.

$1 \times 2 = \square$

$2 \times 2 = \square$

$3 \times 2 = \square$

$4 \times 2 = \square$

$5 \times 2 = \square$

$6 \times 2 = \square$

$7 \times 2 = \square$

$8 \times 2 = \square$

$9 \times 2 = \square$

$10 \times 2 = \square$

$11 \times 2 = \square$

$12 \times 2 = \square$

2	16	20	14	6	18
12	4	10	24	8	22
