

What Would You Do?

??? GAME ???

What would you do if...

INSTRUCTIONS

- Start where indicated. Use coins or small pieces of paper as tokens for each player.
- Flip a coin to determine movement.
Heads = Move one space in any direction.
Tails = Move two spaces in any direction.
- Answer the question in the space landed on to complete a turn. If the space is blank, an opponent can create a question for you.
- Play then passes to the next player.
- Whoever reaches the Finish first wins.
- After the game, you may wish to discuss the answers to any of the questions not used or that spark disagreement among players. This game is a companion to *What Would You Do? 46 Situations for Making Good Choices*.
